

CERTIFICATE OF EXCELLENCE

This is to certify that

BLEeper

Is granted with the I4MS-SAE quality label and was previously accepted for funding through the financial support for third parties (FSTP) mechanism and has successfully completed the support programme offered by the granting Innovation Actions.

About the I4MS-SAE Label

The label recognises the **quality and value** of the companies receiving it and certifies them to be eligible for follow-up funding to further develop their experiment or implement new technologies for digitalisation.
